## Newsletter to Parents

### Class Assemblies

These have restarted, though because of Covid-19 restrictions, parents still **cannot** come into school to watch them. However a video of the assembly will be posted on Google Classroom. Log into Google Classroom, using the same log-in code and password that you used during the school shutdown and watch your child perform! The recent Y2 and Y4 class assemblies, have now been posted on Google Classroom.

### School Resources Borrowed During Lockdown

During the recent school closure due to Covid 19, resources were sent home for some children. These included the loan of; Ipads, reading books and texts books. If you received any of these to support your child's learning, we now need you to return them to school. Please look carefully at home and send them back with your child. Thank you.

### Sick Children

There have recently been a number of children who have been sent to school after been given Calpol, or similar medicine at home, because they were feeling unwell. When the medicine has worn off, the children have had to be sent home. If your child is unwell, please keep them at home so that they can recuperate properly.

### Parent Governor Vacancies.

There is still time to nominate yourself, or someone else, as a school parent governor. We always welcome the input that parents contribute to the running of the school and the role of a governor would be a chance for you to have direct involvement.

### 3 minute Christian Meditation

Some classes have been using this website to help with prayer. Only 3 minutes; it includes some music and scripture.
